Kevin Mayer
Environmental Engineer
U.S. EPA Region 9
75 Hawthorne Street, SFD-7-2
San Francisco CA 94105

Dear Mr. Mayer,

This is to confirm your participation in the Annual NIEHS/EPA Superfund Research Meeting, "EPA/Tri-University Superfund Research Program: Partnership for a Clean and Healthy Environment" scheduled for October 26-27, 1998 at the Clark Kerr Center, University of California, Berkeley.

Included is a map of the University of California, Berkeley central campus to assist you in locating the Clark Kerr Conference Center and the Hotel Durant if needed. Should you be driving, please be aware that parking is extremely limited at both locations so please plan accordingly. There will be parking at the Clark Kerr Center for \$7.00/day but space is limited so arrive early. There will also be shuttle bus service provided from the Hotel Durant to the Clark Kerr Center and back. Departure times can be found on our website.

We are enclosing a flyer for the Career Fair scheduled for the second day. You are invited and encouraged to attend. Feel free to log onto our website to receive updates to the program/agenda (www-sf.ucdavis.edu/conference). We look forward to seeing you at the conference.

Sincerely,

A handwritten signature in dark ink, appearing to read "Kathleen Dooley", is written over a horizontal line.

Kathleen Dooley
Program Administrator
UC Davis Superfund Basic Research &
Training Program
